

Pending Erratum

Josephine M. Egan and Chee W. Chia. Incretin Therapy and Pancreatic Pathologies: Background Pathology Versus Drug-Induced Pathology in Rats. *Diabetes* 2014;63:1174—1178

In the commentary listed above, which appeared in the April 2014 issue of *Diabetes*, one of the authors did not disclose a financial conflict of interest. Dr. Josephine M. Egan is listed as an inventor on patents (US 7576050 and US 7056734) covering molecules described in the article. The reviewers and the editors were unaware of this interest at the time the manuscript was reviewed.

The erratum will be published in the June 2014 issue of *Diabetes* on May 22.
