

Yes!

...I want to subscribe to
DIABETES CARE, a new bimonthly journal of the
American Diabetes Association aimed at improving
the care of patients with diabetes.

DIABETES CARE is a unique journal devoted solely to diabetes and all its ramifications. It explores the relationships between diabetes and cardiovascular disease, eye and kidney involvement, disorders of the skin, vagina, and urinary tract, and nerve and muscle complications.

DIABETES CARE serves the informational needs of the practicing physician and other members of the health-care team by covering a broad range of subjects—drug therapy, diet and nutrition, detection and diagnosis, diabetic neuropathy, diabetic nephropathy, diabetic retinopathy, sexual and psychological problems of diabetes.

Subscriptions are available to individuals for: one year, \$20; two years, \$35; three years, \$50.00; and to institutions for: one year, \$30; two years, \$53; three years, \$75. (Outside the U. S. and Possessions, add \$2 postage per year.) Professional Members of the American Diabetes Association receive *Diabetes Care* as a benefit of membership.

Mail to: **American Diabetes Association, Inc.**
600 Fifth Avenue
New York, NY 10020
