DIABETES IN REVIEW: CLINICAL CONFERENCE 1980  
Twenty-Seventh Postgraduate Course

## CONTINUING MEDICAL EDUCATION OFFERING

The American Diabetes Association is offering a useful new service to medical professionals concerned with the management of diabetes. Beginning with our Atlanta Clinical Conference and Postgraduate Course—"Diabetes in Review"—we are making available audio cassettes of all sessions. These can provide you with a quick and convenient update on the clinical management of diabetes by renown specialists, while forming the basis of a permanent reference source to be supplemented by future clinical meetings. The full cassette series of the Atlanta Postgraduate Course is approved for 13½ hours of Category I credit for the Physician's Recognition Award of the American Medical Association. The complete postgraduate course is available on nine cassettes in a fitted album for quick and convenient shelf display and storage. Or, individual sessions may be purchased separately as indicated on the order form below.
