

EDITOR-IN-CHIEF Curtis L. Triplitt, PharmD, CDCES

Diabetes Spectrum is committed to assisting health care professionals in developing strategies to individualize treatment and enhance diabetes self-management education to optimize patient outcomes. It presents comprehensive, peer-reviewed original research and review articles on topics in diabetes prevention and medical management, care innovations, professional and patient education, medical nutrition therapy, behavioral science and counseling, pharmacy and therapeutics, and advocacy. The journal's From Research to Practice section provides in-depth explorations of selected diabetes care topics, with a primary focus on translating current research findings into practical clinical applications.

Diabetes Spectrum (Print ISSN 1040-9165; Online ISSN 1944-7353) is published every February, May, August, and November by the American Diabetes Association, Inc., 2451 Crystal Drive, Suite 900, Arlington, VA 22202. ©American Diabetes Association®, Inc., 2022.
